(Closed Meeting for Active and Associate members only please)

1:45 pm **A Roadmap to Compliance: What Every Practice Needs to Know**
Leigh Davitian, JD
Founder/CEO
Dumbarton Group & Associates, LLC
Establishing and following a detailed “compliance program” will help physicians avoid any fraudulent and negligent activities that can ultimately lead to both civil and criminal penalties. This session will address key components including Federal laws and regulations that centered around general healthcare program integrity practices, the importance of being a Medicare and Medicaid provider in good-standing, and minimizing any chances of committing fraud, waste, abuse or errors. Lastly, the speaker will review the (7) recommended components to creating a solid compliance program along with new regulations recently implemented by germane healthcare agencies.

3:15 pm **Break with Exhibitors (Grand Ballroom)**
Please visit our exhibitors, without them this program would not be possible

3:45 pm **The Current State of Health Literacy in the US and PA**
Tami Montroy, MS, RHIA, CCS
Health Information Manager
SePHIMA President

This presentation will offer an overview:

- *Of the history of health literacy and cultural competence in healthcare nationally and locally*
- *How health literacy effects the hematology and oncology practice.*
- *What steps you can take to become a more health literate practice*

4:45 pm **Closing Remarks**

Please join us for a Reception in the Villanova and Wayne Room from 5:30 pm to 7:00 pm

Friday, May 18, 2018
